

PET POLICY

We love animals and realize restrictions can sometimes seem too broad. However not all of the homes we manage allow for pets and some owners do not want pets in their homes. Furthermore, most property insurance companies forbid the dog breeds listed below as a condition of the insurance policy. Please be sure to read over the ad for details regarding the pet policy at the property you are interested in. We will always strive to find you the perfect home for your specific needs!

The following is a list of dog breeds, whether full or mixed, that are not accepted at any of our properties:

Akitas, Alaskan Malamutes, American Staffordshire Terriers, Bull Mastiffs, Chow Chows, Doberman Pinschers, German Shepherds, Huskies, Mastiffs (including Bull Mastiffs, Cane Corso Mastiffs, English Mastiffs, Italian Mastiffs, Neopolitan Mastiffs, and Tibetan Mastiffs), Pit Bulls, Presa Canarios, Rottweilers, and Wolf hybrids. In addition, the Russian Bear Dog is not permitted at this time.
